First letter of invitation

Dear Colleagues,

April, 27th - May, 1st, Southern Federal University, with participation of “Znanie” Educational Center, is organizing the Fourth International Scientific Conference on *Modern Methods, Problems and Applications of Operator Theory and Harmonic Analysis*. The conference will take place in Rostov-on-Don, RUSSIA.

The Fourth International Conference will deal with different areas of mathematics and applications, particularly with those that have been rapidly developing throughout the past decade. The topics to be covered include, among others, harmonic analysis, functional analysis, operator theory, function theory, differential equations, fractional analysis, and applications.

Conference sections:

- Functional Analysis and Operator Theory,
- Function Theory,
- Differential Equations and Mathematical Physics,
- Fundamental problems for Information and Communication Technology,
- Mathematics in Natural Science, Intellectual Systems and Computer Science.

To register please visit:
